

## Symbaloo

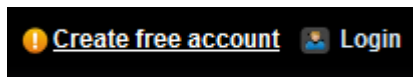

Symbaloo allows you to set up a site for students to access links for projects, research or sites that you have them visit on a consistent basis.

### Let's Begin

- Click on [www.symbaloo.com](http://www.symbaloo.com)
- Click on Sign Up for a Free Account

- Type in your Name
- Type in your email
- Type in a password
- Repeat the password
- Click on I Agree
- Click on Create my account

Create a free Symbaloo account

Name\*   
The name by which you'll be known on Symbaloo.

Email\*   
You will receive a verification email. After verifying you get more options!

Password\*   
6 characters or more (be tricky!)

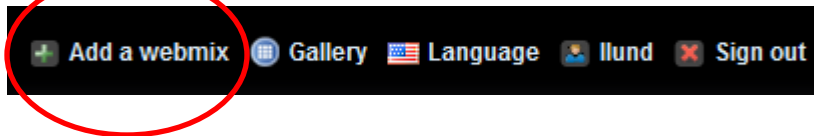

Repeat password\*

☒ I don't want to miss important updates  
☐ I agree to Symbaloo's [terms and conditions](#) and [privacy policy](#).

## Creating New Symbaloo

- Click on Add a Webmix at the top of the page

- Type in the Title for the Webmix
- Click on Tiles
- Click on Add

A webmix is a compilation of tiles. Here you can search for webmixes or create one of your own.

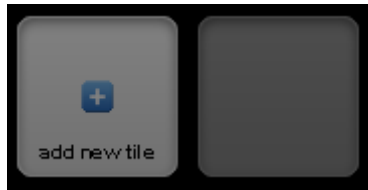

### Add an empty webmix

A light blue form for adding a new webmix. It contains a text input field at the top. Below it is a section titled 'I will use this webmix for:' with two radio buttons: 'Tiles' (which is selected) and 'RSS feeds'. At the bottom right of the form is an orange button with a play icon and the text 'Add!'. Red arrows from the list on the left point to the input field and the 'Add!' button. The 'Add!' button is circled in red.

## Adding Tiles

- Click on a Gray Tile
- You will see Add a New Tile
- Click on the Tile

- Click on Click Here to Create Your Own Tile

Here you can add a new tile to your webmix. Search for a name, subject or  
Can't find the tile you are looking for? [click here to create your own tile.](#)

## Creating Tiles

- Copy in the link of the site you want to add
- Type in the name you want to see on the Tile
- Click on Display the Name
- Click on a Color
- Click on the arrow Add the icon for the tile
- Click on an Icon and it will appear on the tile

Create a new tile for your webmix

1. Add the address of the website

Website

✗ Address not found

2. Create a tile

Add a name for the tile \*

Display the name on the tile

Textcolor Black White

3. Design your tile

Add the color of the tile

Add the icon for the tile

[Webmix Details](#)

[Update webmix](#)

[Stop Sharing](#)

- You can share the link by posting it on your website or by creating a tiny url to share on your website.
- Click on Embedded Code
- The Embedded Code will allow you to put it onto your school center site.
- Click here: [video](#) to see how to embed this on your School Center Site
- Click to close this screen
- You can Update your webmix
- You can Stop Sharing at Anytime

- Click on the Blue Plus Sign to add another Symbaloo Board

- Click on Gallery to see all of the Webmixes created by others

## Lesson Ideas

- Create to use for research projects to allow students access to sites
- Use to create a place for students to access sites during center activities
- Create to use for sites students need for studying for exams or practice for tests
